RE: DOGGR Oversight Hearing	08/09/2012 11:51 AM

### Item Body

Dear David and George:

I'm following up on emails and phone calls I've left for you two while you were out of the office. I understand that you, David, may be back in the office. Is it possible to get a representative from the US EPA to testify at our hearing in the Capitol at 2 pm on Tuesday? As my email explains below, it would be great if US EPA can provide background on the Primacy Agreement and the Safe Drinking Water Act and explain the audit report from last year.

Please let me know if you have any questions. Thanks for your consideration.

David,

The Assembly Natural Resources Committee is scheduling a DOGGR oversight hearing on Tuesday, August 14<sup>th</sup> at 2:00pm. The hearing will focus on the attached “road map,” which was prepared by DOGGR in May. I was hoping that you and/or Alexis could testify. It would be great if US EPA could generally describe the requirements related to the Primacy Agreement and the Safe Drinking Water Act and explain the audit report from last year. Please feel free to call or email if you have any questions or comments. My direct line is 916-319-2463. Thanks.
